## BRINGING INNOVATION AND CONVENIENCE TO HEALTHCARE

Welcome to WEDO, the revolutionary touch screen system designed for medical waiting rooms. In an era where patient satisfaction and engagement are paramount, WEDO stands as a beacon of innovation, transforming how patients interact with their healthcare environment.

VistaView is not just a digital interface; it's a journey into a world where every need is anticipated and every expectation is exceeded. From the moment patients step into the waiting room, WEDO invites them to explore a realm of possibilities, all at their fingertips.

Our system offers unrivaled access to a wealth of information and services. Whether it's discovering healthcare resources, staying updated with real-time medical news, or exploring the extensive amenities your clinic has to offer, VistaView is the key to unlocking a more engaging and informed patient experience.

But VistaView is more than just a gateway to services and information; it's a testament to your clinic's commitment to cutting-edge technology and patient satisfaction. By choosing VistaView, you're not just offering a service, you're providing an experience - one that patients will remember long after their visit has ended.

VistaView, where every touch is a step into a world of convenience, information, and unparalleled patient service.

# WEDO

## SEAMLESS INTEGRATION

# WEDO

## Seamless Updates

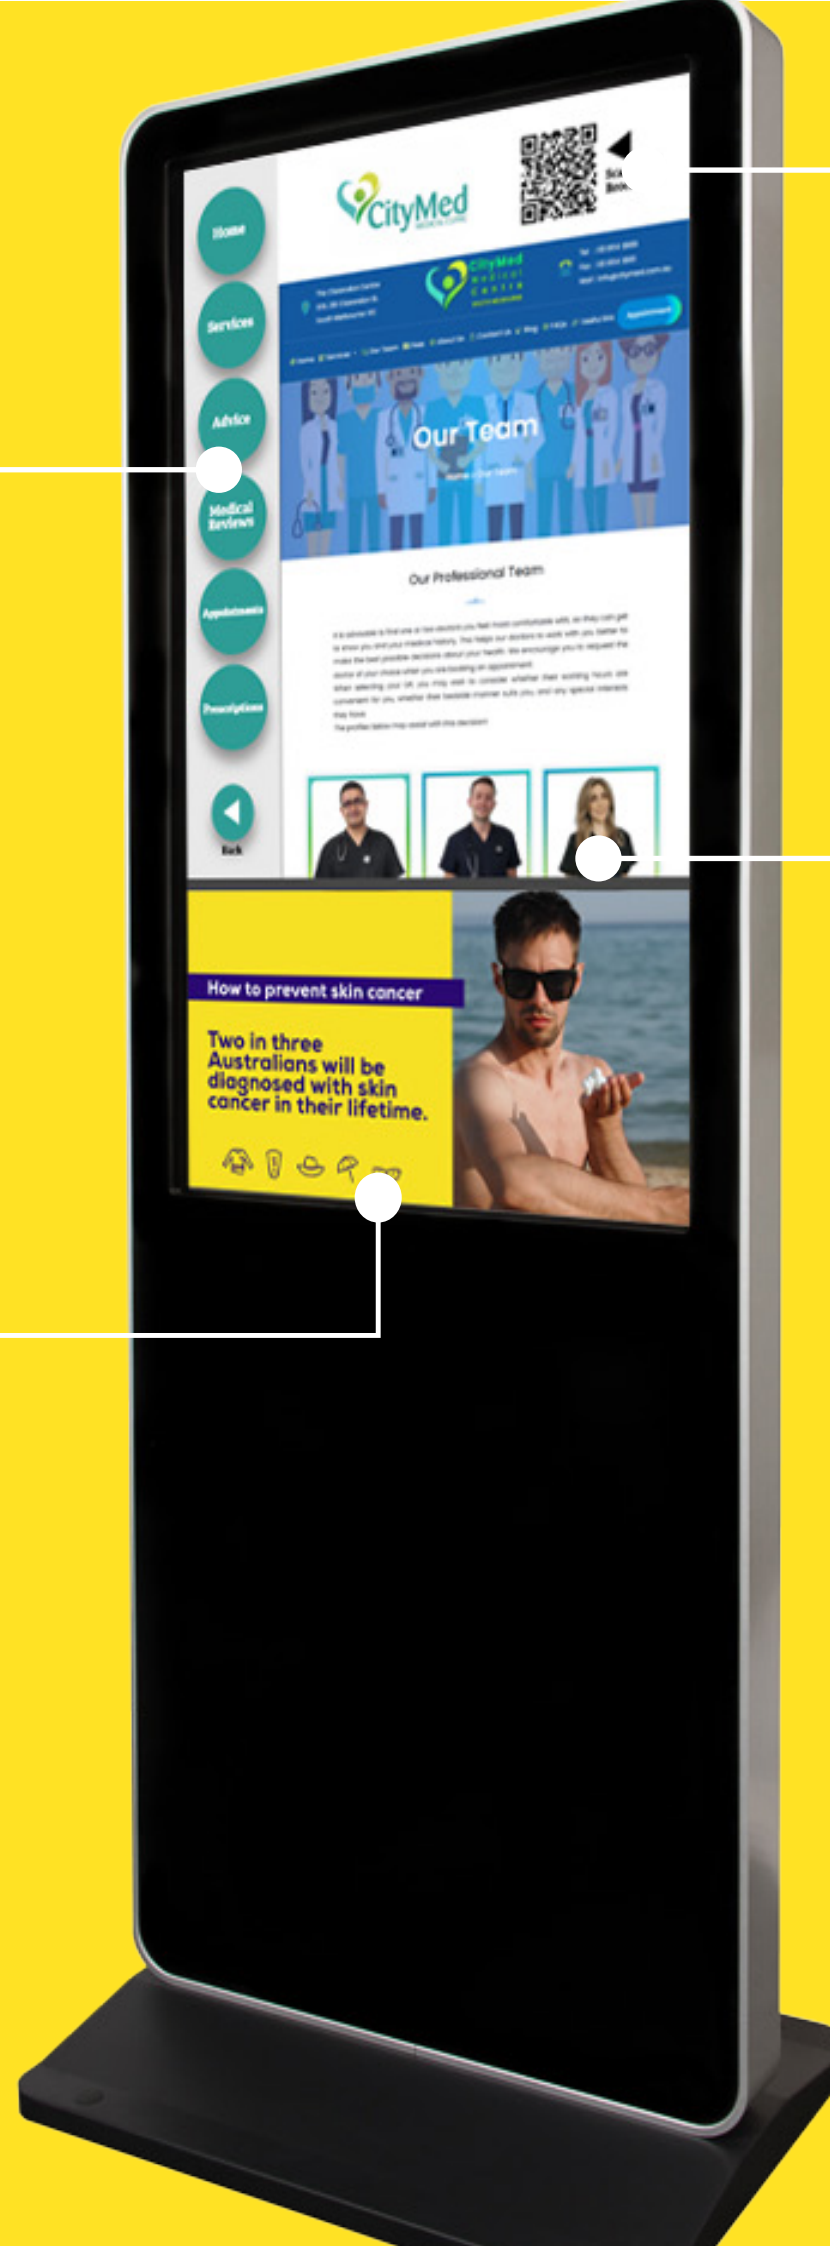

Update information in real-time to reflect the latest news, and health advice

## Key Patient Info

WEDO keeps patients informed with real-time updates on appointment schedules, local traffic conditions, and weather forecasts.

## REAL-TIME CONTENT MANAGEMENT

## Personalised News Feeds

Provide patients with personalised and relevant medical news and updates.

## Customised Content Loops

Highlight specific services, promotions, or advice tailored to your patients.

VistaView's secure web portal allows you to effortlessly update your content, ensuring patients always receive the most relevant and up-to-date information. Whether it's new healthcare offers, informational videos, wellness tips, or important clinic news, keeping your content fresh and engaging has never been easier.

# PERSONALIZING PATIENT EXPERIENCES WITH FLEXIBLE UPDATES

VistaView redefines the way medical facilities connect with their patients by offering unparalleled customization and real-time updates. This state-of-the-art system ensures that your patients are always engaged with the most current and relevant information, tailored specifically to your clinic's unique offerings. Whether it's sharing the latest medical advice, announcing new services, or promoting health and wellness programs, VistaView keeps your patients informed and engaged at all times.

## EFFORTLESS CONTENT MANAGEMENT

Through a secure web portal, medical staff can easily update information on screen. Showcase new healthcare services, announce upcoming health seminars, or promote wellness programs—updating content is seamless and instantaneous.

## DISPLAY MEDICAL ADVICE

Ensure patients always receive the most relevant and up-to-date information. Whether it's new healthcare offers, informational videos, wellness tips, or important clinic news, keeping your content fresh and engaging has never been easier.

## INTERGRATE EXISTING SYSTEMS

WEDO seamlessly integrates with your clinic's existing systems, for example allowing patients to book appointments from the touch screen. This integration streamlines operations and enhances the overall patient experience.

## AN INTERFACE FOR BRAND CONSISTENCY

WEDO's interface can be customized to align with your clinic's branding. This feature allows for a cohesive visual experience that resonates with your clinic's aesthetic and brand identity.

**ALWAYS CURRENT,  
ALWAYS RELEVANT**

## BENEFITING PATIENTS THROUGH COMMUNITY-FOCUSED ADVERTISING

WEDO introduces a unique and innovative approach to enhancing patient experiences through community-focused advertising. This model not only provides the WEDO system to medical facilities at no cost but also enriches each patient's visit with valuable, locally relevant information and opportunities.

**Discover Local Treasures:** Through carefully curated advertisements, patients are introduced to the best local businesses, attractions, and events. This direct line to the community opens doors to authentic experiences, from hidden dining gems to unique cultural activities, enriching their visit.

**Exclusive Deals and Offers:** The advertisements on WEDO often include exclusive offers and special deals from local businesses, available only to patients. This access to exclusive promotions not only adds value to their visit but also encourages exploration of the local area.

**Tailored to Patient Interests:** The advertising content on WEDO is selected with patients in mind, ensuring that it is relevant, interesting, and adds to their experience. Whether it's a wellness program or a relaxing spa service, these ads connect patients with services and experiences that align with their interests.

**Supporting Local Economy:** By showcasing local businesses and attractions, WEDO plays a key role in supporting the local economy. Patients are encouraged to explore and spend within the community, fostering a sense of connection and contribution to the area they are visiting.

**Seamless Integration:** The advertisements are integrated seamlessly into the overall WEDO experience, ensuring that they add value without being intrusive.

Through this community advertising approach, WEDO not only offers a state-of-the-art service to medical facilities free of charge but also enhances the patient experience by connecting them with the local community in meaningful and rewarding ways.

# WEDO

## ENHANCED PATIENT EXPERIENCE

**SECURITY, RELIABILITY, AND EASY INSTALLATION**

## SEAMLESS INSTALLATION & CONTINUOUS SUPPORT

Designed for effortless integration into any medical setting, WEDO's installation process is straightforward and hassle-free.

Our commitment extends beyond installation, with continuous support and maintenance services to ensure optimal performance.

This comprehensive support system ensures that WEDO remains an asset to your clinic, consistently enhancing patient experiences with minimal effort from your staff.

WEDO combines robust security with ease of installation and dedicated support, making it not just a cutting-edge solution for patient services, but a reliable and low-maintenance choice for clinics seeking to elevate their patient experience.

WEDO prioritizes patient privacy and data protection. With advanced security protocols, the system safeguards sensitive information, ensuring peace of mind for both patients and clinic management.

Its reliable performance means it operates smoothly around the clock, making it a dependable resource for patients throughout their visit.
